Neck Index

Form N1-100

rev 3/27/2003

Patient Name	Date
--------------	------

This questionnaire will give your provider information about how your neck condition affects your everyday life. Please answer every section by marking the one statement that applies to you. If two or more statements in one section apply, please mark the one statement that most closely describes your problem.

Pain Intensity

- 1 have no pain at the moment.
- ① The pain is very mild at the moment.
- ② The pain comes and goes and is moderate.
- 3 The pain is fairly severe at the moment.
- The pain is very severe at the moment.
- (5) The pain is the worst imaginable at the moment.

Sleeping

- ① I have no trouble sleeping.
- ① My sleep is slightly disturbed (less than 1 hour sleepless).
- ② My sleep is mildly disturbed (1-2 hours sleepless).
- 3 My sleep is moderately disturbed (2-3 hours sleepless).
- 4 My sleep is greatly disturbed (3-5 hours sleepless).
- ⑤ My sleep is completely disturbed (5-7 hours sleepless).

Reading

- ① I can read as much as I want with no neck pain.
- 1 can read as much as I want with slight neck pain.
- ② I can read as much as I want with moderate neck pain.
- 3 I cannot read as much as I want because of moderate neck pain.
- 4 I can hardly read at all because of severe neck pain.
- ⑤ I cannot read at all because of neck pain.

Concentration

- ① I can concentrate fully when I want with no difficulty.
- ① I can concentrate fully when I want with slight difficulty.
- ② I have a fair degree of difficulty concentrating when I want.
- ③ I have a lot of difficulty concentrating when I want.
- 4 I have a great deal of difficulty concentrating when I want.
- (5) I cannot concentrate at all.

Work

- O I can do as much work as I want.
- I can only do my usual work but no more.
- ② I can only do most of my usual work but no more.
- *3 I cannot do my usual work.
- I can hardly do any work at all.
- ⑤ I cannot do any work at all.

Personal Care

- ① I can look after myself normally without causing extra pain.
- ① I can look after myself normally but it causes extra pain.
- ② It is painful to look after myself and I am slow and careful.
- ③ I need some help but I manage most of my personal care.
- 4 I need help every day in most aspects of self care.
- ⑤ I do not get dressed, I wash with difficulty and stay in bed.

Lifting

- ① I can lift heavy weights without extra pain.
- ① I can lift heavy weights but it causes extra pain.
- ② Pain prevents me from lifting heavy weights off the floor, but I can manage if they are conveniently positioned (e.g., on a table).
